VALENTINE'S DAY  
2015

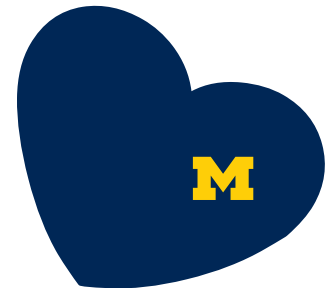

## You + Paton

Two and two is four  
Add ten and that's fourteen  
And on that day in February  
Hearts will surely beam

Whether you have met your match  
At Paton or elsewhere  
There's no doubt (not even a bit!)  
That love is in the air

Romance inspires memories  
And giddy recollection  
Perhaps a stroll along the Quad  
Is part of your reflection

As you go about your day  
Know that you're thought of fondly  
By loved ones, yes, but let's not forget  
Your extended Paton family!

Happy Valentines Day!
